Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Submitted herewith is a substitute computer readable form and a substitute paper copy of the sequence listing of those sequences in the captioned patent application, wherein minor errors have been corrected. In accordance with 37 C.F.R. § 1.821(f), the substitute computer readable form of the sequence listing is the same as the substitute paper copy of the sequence listing.

To the best of the Applicants' representative's knowledge and belief, the sequence information provided in the presently enclosed substitute computer readable and paper forms of

the sequence listing is the same as that earlier provided by Applicants' representative's previous law firm during November, 1997.

In accordance with 37 C.F.R. § 1.821(g), it is herewith represented that no new matter is included with this submission.

Respectfully submitted,

Shelley P.M. Fussey
